Additional responsibilities

Lost building key: $50. Damage charges are not a fixed fee; the church determines charges from the damage and repair or replacement costs.

Kitchen use is optional with City Commons. Select Kitchen if you intend to use it. Your group handles all setup, teardown, cleaning and room restoration.

The original fee sheet lists both hourly and flat-rate sections. The church will confirm which charges apply to your request before payment. This form does not calculate or collect payment.
